

Privacy Policy for Thabit

Last updated: November 13, 2025

Introduction

Thabit ("we," "our," or "us") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, and safeguard your information when you use the Thabit mobile application (the "App").

Information We Collect

Personal Information

When you use Thabit with cloud sync enabled, we may collect:

- Email address (for account authentication)
- User-generated habit data (habit names, completion dates, streak information)

Automatically Collected Information

- Device information (operating system, app version)
- Usage data (app interactions, features used)

How We Use Your Information

We use your information to:

- Provide and maintain the App's functionality
- Enable cloud synchronization of your habit data across devices
- Authenticate your account
- Improve and optimize the App
- Respond to your support requests

Data Storage and Security

Local Storage

Your habit data is primarily stored locally on your device using SQLite database.

Cloud Storage

If you choose to enable cloud sync:

- Data is stored securely on Supabase (a third-party cloud service provider)
- All data transmission is encrypted using industry-standard protocols (HTTPS/TLS)

- Your data is protected by Supabase's Row Level Security (RLS) policies
- Only you can access your habit data through your authenticated account

Security Measures

We implement appropriate technical and organizational measures to protect your personal information, including:

- Encrypted data transmission
- Secure authentication mechanisms
- Access controls and user authentication

Data Sharing and Disclosure

We do NOT sell, trade, or rent your personal information to third parties.

We may share information only in the following circumstances:

- **Service Providers:** With Supabase for cloud storage and synchronization services
- **Legal Requirements:** If required by law or to protect our rights
- **With Your Consent:** With your explicit permission

Third-Party Services

Thabit uses the following third-party service:

Supabase

- Purpose: Cloud data storage and synchronization
- Privacy Policy: <https://supabase.com/privacy>
- Data stored: Email address, habit data (names, dates, streaks)

Your Rights and Choices

You have the right to:

- **Access:** Request a copy of your personal data
- **Correction:** Update or correct your information
- **Deletion:** Request deletion of your account and data
- **Data Portability:** Export your data in a machine-readable format
- **Opt-Out:** Disable cloud sync and use the app offline

How to Exercise Your Rights

To exercise any of these rights, contact us at: support@qultec.com

Data Retention

- **Active Users:** We retain your data as long as your account is active
- **Account Deletion:** Upon request, we will delete your data within 30 days
- **Local Data:** Data stored locally on your device can be deleted by uninstalling the app

Children's Privacy

Thabit is not intended for users under the age of 13. We do not knowingly collect personal information from children under 13. If you believe we have collected information from a child under 13, please contact us immediately.

International Data Transfers

Your information may be transferred to and stored on servers located outside your country of residence. By using the App, you consent to such transfers. We ensure appropriate safeguards are in place to protect your data.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by:

- Posting the new Privacy Policy in the App
- Updating the "Last updated" date
- Sending an email notification (for significant changes)

Your continued use of the App after changes constitutes acceptance of the updated policy.

No Advertising or Tracking

Thabit does NOT:

- Display third-party advertisements
- Use tracking cookies or analytics that identify you personally
- Share your data with advertising networks
